

HOW TO PUT ON A MASK

1. Clean your hands.
2. Take mask from box by ear loops.
3. The bendable metal edge of the mask is the top - colour side faces out.
4. Place loops around ears.
5. Pull corner of mask down so mask bottom covers your mouth and chin. Do not touch the front of the mask.
6. Pinch the metal strip of mask so it molds to shape of your nose.
7. Clean your hands.

Change mask when moist, wet or soiled.
