Empowering.  Caring.  Futures.

The Provincial Health Services Authority (PHSA) plans, manages and evaluates selected specialized and province-wide health care services across BC, working with the five geographic health authorities to deliver province-wide solutions that improve the health of British Columbians. PHSA embodies values that reflect a commitment to excellence. These include: **Respect people** • **Be compassionate** • **Dare to innovate** • **Cultivate partnerships** • **Serve with purpose**.

**This is your INVITATION to start a Specialized Nursing Career with PHSA**

**Employed Student Nurse Program**  
**Spring/Summer 2020 Intake**

**Pediatrics** • **Child and Adolescent Mental Health** • **Perinatal** • **Oncology**

Have you always dreamed of a career specializing in Pediatrics, Child and Adolescent Mental Health, Perinatal or Oncology nursing? As an Employed Student Nurse (ESN) working at:

- **BC Children’s Hospital**
- **BC Women’s Hospital**
- **BC Cancer**

You can use your experience as a stepping stone to preceptorships – and full time employment with our programs.

Here’s what Employed Student Nurses are saying...

“Being an Employed Student Nurse at BC Children’s allowed me to gain insight into my future career as a Registered Nurse. I was able to feel like part of the inter professional team. I always felt well supported by everyone! The hours provided to me allowed myself to future develop my communication skills as well as my critical thinking abilities! I loved my experience at BC Children’s and am so thankful for the opportunity!”

- ESN, BC Children’s Hospital

“Working as an ESN at Sunny Hill Health Centre has provided me with skills that I will be utilizing for my whole nursing career. Working with the clients, the OTs, PTs, SLPs, and the other nurses was such an unforgettable experience. It was such a cozy welcome, and everything I imagined it to be. Thanks so much for giving me this opportunity!”

- ESN, Sunny Hill Health Centre for Children
