

FHA-PARIS – Admissions, Discharges and Transfers

Encounters (ADT) information from Fraser Health Community (FHA-PARIS) available in CareConnect as of January 29, 2020.

Immunizations

Immunization records from the Provincial Immunization Registry* (PPHIS) available in CareConnect as of February 5, 2020.

- Immunizations can be found next to the Registration Information tab in the navigation menu
- Staff, clinicians and physicians with access to clinical documents will also have access to Immunizations.
- Immunization access includes:
 - 1. Immunization History
 - 2. Recommended Immunizations as per BC Immunization Schedule
 - 3. Special Considerations
 - 4. Deferrals
 - 5. Adverse Events Following Immunization
 - 6. Risk Factors (Active Only)

* CareConnect will display the patient's immunization record from the Provincial Immunization Registry (PPHIS). Immunization history displayed may not portray the client's complete immunization history.

* VCH immunizations are also available in the PARIS Clinical Summary, located under Community Documents.
