

## CARECONNECT QUICK START GUIDE - Independent

CareConnect is a province-wide electronic health record (EHR) viewer that enables health care providers to access key patient information and records from various systems all-in-one place.

*This guide outlines the steps involved in requesting CareConnect access as an Independent User (e.g., Pharmacist, Resident, Licensed Practical Nurse, Registered Psychiatric Nurse (includes FNHA or Long-Term Care) or Social Worker). Independent users can apply to access CareConnect without a sponsor. Before beginning your enrolment process you must have a BC Services Card (BCSC) Account. Visit the [BCSC website](#) to learn how to create an account.*

### REGISTRATION STEPS

#### 1. Register Yourself in the my.CareConnect Portal

Log in to the [my.CareConnect](#) Portal using your BC Services Card Account to complete the Account Registration Page.

#### 2. Join or Create a Worksite

- If you have received an invite to join a worksite you can accept to join via the email you received or through the [my.CareConnect](#) Portal
- If you have not received an invite to join a worksite you can search for your worksite by the Worksite ID provided by your Group/ Site Administrator or by the worksite address
- If your worksite does not exist, register it using the Worksite Registration Form

#### 3. Complete CareConnect Enrollment Requirements

Open the Application Access module complete the Privacy and Security course, digitally sign the HPCAA and complete the Request CareConnect Access Form

#### 4. Access the CareConnect eHealth Viewer for Direct Patient Care

Once all requirements are submitted, your application will be processed in 3-5 business days. You will receive an email with instructions on how to access CareConnect once approved.
