VGH Trauma Rounds is now available on the new video-conferencing bridge 'UBC Collab'

Details on new ways to join the VGH Weekly Trauma Rounds are included below.

To join our webcast, please go to <https://meet.vc.ubc.ca> and enter the 5-digit **conference ID 30313**.

Please note:

- Please mute your microphone when you're not speaking
- You can turn off your camera if you don't want to appear on screen

You can test your connection and practice using the new system at any time by visiting <https://meet.vc.ubc.ca> and entering test@vc.ubc.ca into the conference ID field. If you are unsuccessful with your connection test, please call the **Service Desk at 1-877-266-0666 – option #2**.

Google Chrome is recommended for Windows or Mac. Other browsers, including Firefox and Safari for Mac are supported with a plugin. Internet Explorer should not be used.

Audio-bridge participants: Dial toll-free phone number, **1-844-651-2007**, followed by the conference ID 30313, followed by #

Participant Issues & Feedback

If you experience issues joining the meeting or during the meeting, please call the MedIT Service Desk at **1-877-266-0666 – option #2**. If the event is over, please send an email to the Service Desk at medit.servicedesk@ubc.ca with details of the issue.

If you have additional feedback, you are welcome to email me or Trevor Knox, the VC Bridge Implementation Project Manager at trevor.knox@ubc.ca.

Your feedback will ensure that VGH Weekly Trauma Rounds via videoconference run smoothly.
