

Data Access Request Form

Performance Measurement and Reporting

Performance Measurement and Reporting (PMR) offers a wide variety of services, including support for research and data analytics. This initial request form will help PMR identify your needs. You will typically receive a response within two business days. PMR will confirm your requirements and discuss the process for completing your request. Submit the completed form directly to PMR@phsa.ca.

What is the name
of your [Operational
Leader](#)?*
