2

**Nicole Todd**

Vancouver, BC  
Fertility

Gynecologist and physician educator who supports trans, non-binary and gender diverse people with fertility.

9

**Stephanie Kemp, Robyn Lalani, Kendall McSweeney**

Child, Youth, and Family Care

The Gender Clinic at BC Children's Hospital provides puberty blockers and/or gender-affirming hormones for transgender and gender-questioning youth.

16

**Lu Lam**

Vancouver, BC  
Mindfulness

Join for an experiential gathering to learn more about heart, body, and land-based mindfulness wellness approaches that QTBIPOC communities are asking for. Simple tools will be offered that can enhance how you can support QTBIPOC folks.

23

**Lauren Galbraith**

Nelson & Salmo, BC  
Medical Support

Family physician providing gender-affirming primary care and hormone and surgical readiness assessment for folks from the Kootneys and beyond.
