

**BC PATIENT SAFETY  
& QUALITY COUNCIL**  
Working Together. Accelerating Improvement.

*BCRPA and BCPSQC Present*

# The Four Essential Elements of ABCD as a Lens for Change

*A Strategic Community Building Workshop*

During this one-day workshop, learn how to embed Asset-Based Community Development (ABCD) in your organization and bring more community-centred ways of working.

**Space is limited.**

Speaker

## Cormac Russell

*Managing Director and Founder of Nurture Development*

*Over the last 25 years, Cormac's work has demonstrated an enduring impact in 35 countries around the world. He has trained communities, agencies, NGOs and governments in ABCD and other community-based approaches in Africa, Asia, Australia/Oceania, Europe and North America.*
