To: All UBC Children's & Women's Research Ethics Board sites

From: UBC C&W REB

Date: August 5, 2009

Subject: Research Ethics Board Attestation (REBA) Form

The UBC C&W Research Ethics Board does not complete the REBA form for any study. Health Canada has clarified that the REBA Attestation form is not required if the REB certificates of approval include the certification statements found on page 2 of the REBA. The UBC C&W certificates of approval include this information therefore submission of REBA forms to the REB is not required.
