Staff Hand Hygiene Audit Results

* Please note that this report is best suited for color printing.

PHSA Wide
April 2026-June 2026

Current Rate*: **April 1, 2026-June 30, 2026** **2026-Q1**	**32.4%**
Previous Rate: **January 1, 2026-March 31, 2026** **2025-Q4**	**37.9%**
Goal	**100%**

*** Hand hygiene rates are based on observations of staff practicing hand hygiene before and after patient care, as seen by auditors.**

**** Different units are audited each quarter to measure hand hygiene compliance. The principles that guide the selection of the units include previous data trends, feasibility to apply the observational auditing methodology and the trends associated with increased risk of transmission of pathogens in health care settings.**
