

Provincial Retinal Diseases Treatment Program

Health providers and optometrists can refer new patients directly to a Program retinal specialist for diagnosis and treatment. This is a list of the Retinal Specialist clinics with their contact information and locations.

Under the Provincial Health Authority Provincial Retinal Diseases Treatment Program (PRDTP), drug therapy coverage is provided for a number of retinal eye diseases including wet Age-Related Macular Degeneration (AMD), Diabetic Macular Edema (DME) and Retinal Vein Occlusion (RVO) which includes Central Retinal Vein Occlusion (CRVO) and Branch Retinal Vein Occlusion (BRVO) when prescribed and administered by Program retinal specialists.

Under the PRDTP drug coverage is provided at no cost to patients.

Drugs and indications covered under the Provincial Retinal Diseases Treatment Program:

Drug Therapy	Indication
Bevacizumab (Avastin®)	wet AMD, DME, RVO (CRVO and BRVO)
Aflibercept (Eylea®)	wet AMD, DME, RVO (CRVO and BRVO)
Ranibizumab (Lucentis®)	wet AMD, DME, RVO (CRVO and BRVO)
Verteporfin (Visudyne®)/Photo Dynamic Therapy	wet AMD

Please note:

- **Drug therapy for other retinal disease indications (other than wet AMD, DME, and RVO) are not covered.**
- **Retinal specialist services are available in all regional health authorities.** As is currently the case, some patient travel within a health authority may be required. Access for patients will continue to be monitored in collaboration with regional health authorities and retinal specialists. Improvements will be made where reasonable to do so.
- **Drug safety and effectiveness will continue to be monitored and evaluated as a part of the ongoing program administration.**

Should you have any questions, please contact the Provincial Retinal Diseases Treatment Program at 260 – 1770 West 7th Avenue, Vancouver, BC V5J 4Y6 or email psp@phsa.ca or call (250) 519-5729.
